

OAK GROVE SCHOOL BOARD BRIEFS

Special Meeting

June 14, 2010

This is a summary of events that occurred at the May meetings, not official minutes

INFORMATION

Finance

The Board discussed long range financial implications on the budget caused by, the tax cap model and the levy process. Each December, school districts set their levy based on their budgeting needs. The amount received is limited by tax caps. Planning for 2011, The Board of Education members expressed interest in levying less than the full amount authorized by the voters.

DECISIONS

Facilities

On the recommendation of the Facilities committee, the Board approved the contract with Ruck Pate Architects for Master Facility Planning. The Board suspended all other facility work including the renovation of the school cafeterias and roof work until after the Master Facility Study is completed.

Grounds Repairs

The Board approved a contract with Greenhills for \$24,800 to repair playground drainage and sidewalk work. Greenhills will be returning to improve other the drainage and field projects from last summer at no cost to the district.
